No worries. Just wanted others to know too so they would not use reply all to your message and also send to my home email. I will forward any other responses to my work email too.

See you next week.

Thanks. The gMail auto population feature for addressing emails has not been populating the most recently or frequently used emails for a few weeks now and I still have not gotten used to that. Thanks for getting this message back on book for you. Ed

Oops. Wrong email address Ed. I forwarded to my government account. Will be back on Monday if you need me to engage. What you say makes sense. I was unaware of the incoming request though.
